 drsarasweeney@yahoo.com
 A mind, body and spirit practice. Based on the most
 progressive knowledge of 21st century neuroscience with
 roots in ancient wisdom that dates back to yogi *(Continued)*

mystics 5,000 ago, Higher Brain Living® is transformational, proven and repeatable. The Higher Brain Living® Program creates a clear channel and powerful energy surge to the Higher Brain that opens a gateway to true, lasting, limitless and expansive higher living like no other healing or growth modality on the planet. Higher Brain Living Sessions – a proven gentle touch technique that creates a surge of energy to the pre-frontal cortex of the brain to eliminate chronic stress. The higher brain (pre-frontal cortex) is the area of the brain that is responsible for joy, insight, clarity and confidence. Activating the higher brain helps you to reach your full potential like nothing before available. Permanently change your life with higher brain living. Bring more peace, calm, passion and potential into your life. Begin living your fearlessly authentic life!

EXHIBITORS

processing stuck feelings found in our hearts. In our modern society, most adults are conditioned to avoid pain instead of connecting to their intuition (feelings) and using their hearts to process the sufferings of life. Hence, there is a disconnect to our natural healing presence. This work is about fully processing those unconscious conditioning inside our feelings. As we open ourselves to all the feelings inside our hearts and allow ourselves to be vulnerable, we start to access powerful and naturally occurring divine healing presence.
